

One Great Venue.....Two Great Events!

Sesquicentennial State Park will be the site of two trail running events sponsored by the Richland Northeast High School Cross Country & Track Teams. The **Resolution Run 10K** was a new event in 2010 and is run on the mountain bike trails of Sesqui. The **Run Wild Cross Country Festival** will be in its tenth year, and includes an Open 5K Event, as well a **High School Invitational Division**. The 5K run offers a challenging course with a mix of dirt roads, grassy sections and single track trails. Both events include a walk, as well. The two races, which attracted nearly 800 participants, are part of an exciting new trail running series, **The Carolina Trail Championship Series**. Part of the Tour de Columbia Race Circuit, it will recognize overall winners and age group winners, as well as those who participate in all five races. In addition, the Resolution Run 10K will be the **2012 Road Runners Club of America State Cross Country Championship** race for South Carolina.
